MEDIA INFORMATION

INTERVIEW POLICY: **All interviews** with UM players and coaches should be scheduled through the Sports Information Office. The best time to talk with Coach Johnson is between 12:30-2:00 p.m. weekdays. Players are available for interviews through the Thursday evening practice. No interviews Friday. To arrange these sessions call the SID office at (305) 284-3244.

PRACTICE ATTENDANCE: While all practice sessions, beginning with the week of the first game, are closed to the general public, working news media are invited to attend all practice sessions. If you intend to cover practice in Miami, stop at the UM Sports Information Office first to receive a special pass. Both writers and TV photographers are limited to working from the sideline area designated by the UM staff. Call in advance of attending Friday practices prior to home games since the Hurricanes may work out at either the Greentree Practice Field on campus or the Orange Bowl. THE UM LOCKER ROOM, TRAINING ROOM AND WEIGHT ROOM ARE OFF-LIMITS TO THE MEDIA THROUGHOUT THE SEASON.

PRESS CREDENTIALS: Credentials for UM home games are to be used by the working media only. We ask that members of the media make their requests two weeks in advance. Letters will, of course, also be accepted. Requests from media covering UM opponents will be confirmed with the visiting school's SID staff.

PARKING PASSES: Parking is limited but normally available to persons requesting such passes well in advance.

TELEPHONES: It is recommended that media with deadline concerns order phones by calling Southern Bell at (305) 883-1471. Give Karl Schmitt as a contact.

STATISTICS/ SERVICES: Complete game statistics, play-by-play and post-game quotes will be provided at all UM home games. Running play-by-play sheets and stats will be distributed at the quarters, halftime and at the end of the game. Pre-game refreshments will be served. Meal tickets will be distributed. UM will arrange for telecopier service at a rate of $15 per story.

POST-GAME INTERVIEWS: Members of the working media can depart the fourth level of the press box with five minutes remaining in the game. UM staff will direct media to the Miami locker room located at the field level under the closed end of the stadium.

SPOTTERS: These aides can be provided at the established fee of $15 payable to the individual hired. Make requests known one week in advance of the game.

PHOTOGRAPHERS: Field photographers MUST WEAR THE PROPER CREDENTIALS AT ALL TIMES. NCAA rules limit shooting to outside the restraining line enclosing the playing field and outside the 30-yard lines as designated by the team areas. Requests should be made two weeks in advance. No freelance passes will be distributed.

TICKET INFORMATION: Contact the UM ticket office at (305) 284-2655 for ordering game tickets.

SPORTS INFORMATION: The offices are located in the Hecht Athletic Center at No. 1 Hurricane Drive on campus near Mark Light Baseball Stadium. The Greentree Athletic Field, headquarters for the football practices, is located immediately behind the Hecht Center.

WEEKLY PRESS CONFERENCES: Coach Jimmy Johnson hosts a press conference each Tuesday afternoon at 1 o'clock in the Hall of Fame Room of the Hecht Athletic Center. Opponent coaches of the week are contacted via amplified phone hook-up for the benefit of the media.

DIAL-A-COACH: A daily service of recorded messages, notes, interviews and stat updates is provided via the new UM Dial-A-Coach system.

SUNDAYS: **THE JIMMY JOHNSON SHOW** — This live, half-hour program will originate from WSVN (Channel 7) in Miami each Sunday following UM games. The UM head coach, special guests along with film features and game highlights will be featured. The show is carried on a delayed basis by stations throughout the State of Florida and by selected stations nationwide via satellite.

A GLOBAL UNIVERSITY IN A GLOBAL CITY
THE UNIVERSITY OF MIAMI

As the largest private teaching and research university in the Southeast, and one of the nation's youngest, the University of Miami is an institution of opportunity limited only by imagination and energy. Fully committed to making the most of its fortunate geographic location, the University of Miami is achieving a prestigious reputation in the areas of international studies, marine sciences, international banking and commerce, medicine, architecture, engineering and law.

The University's main campus is located in Coral Gables, a city of about 40,000 and home to numerous multinational corporations and banks. This location puts it close to the fulcrum of trade among the United States, Latin America, the Caribbean and Europe. The University teaches off-campus programs in London, the Bahamas and Cayman Islands, and conducts numerous special projects throughout the Latin and Central American region and the Middle East.

With its undergraduate programs headquartered at the Coral Gables campus, other major elements of the University dot Dade County. The School of Medicine, Florida's first, is the hub of the University of Miami/ Jackson Memorial Medical Center. Located near downtown Miami, the medical center houses internationally recognized research and treatment institutes and the country's fifth-busiest emergency room. The UM/James L. Knight Conference Center is located in Miami's financial district. The Rosenstiel School of Marine and Atmospheric Science, one of the top oceanographic schools in the country, is located on Virginia and Fisher Keys

in Biscayne Bay, and through its research vessels conducts studies throughout the tropical oceans. The University is developing its fourth campus on 106 acres in southern Dade county as a major center for research and theoretical study. In all, the University has a physical plant, properties and equipment exceeding $250 million in value.

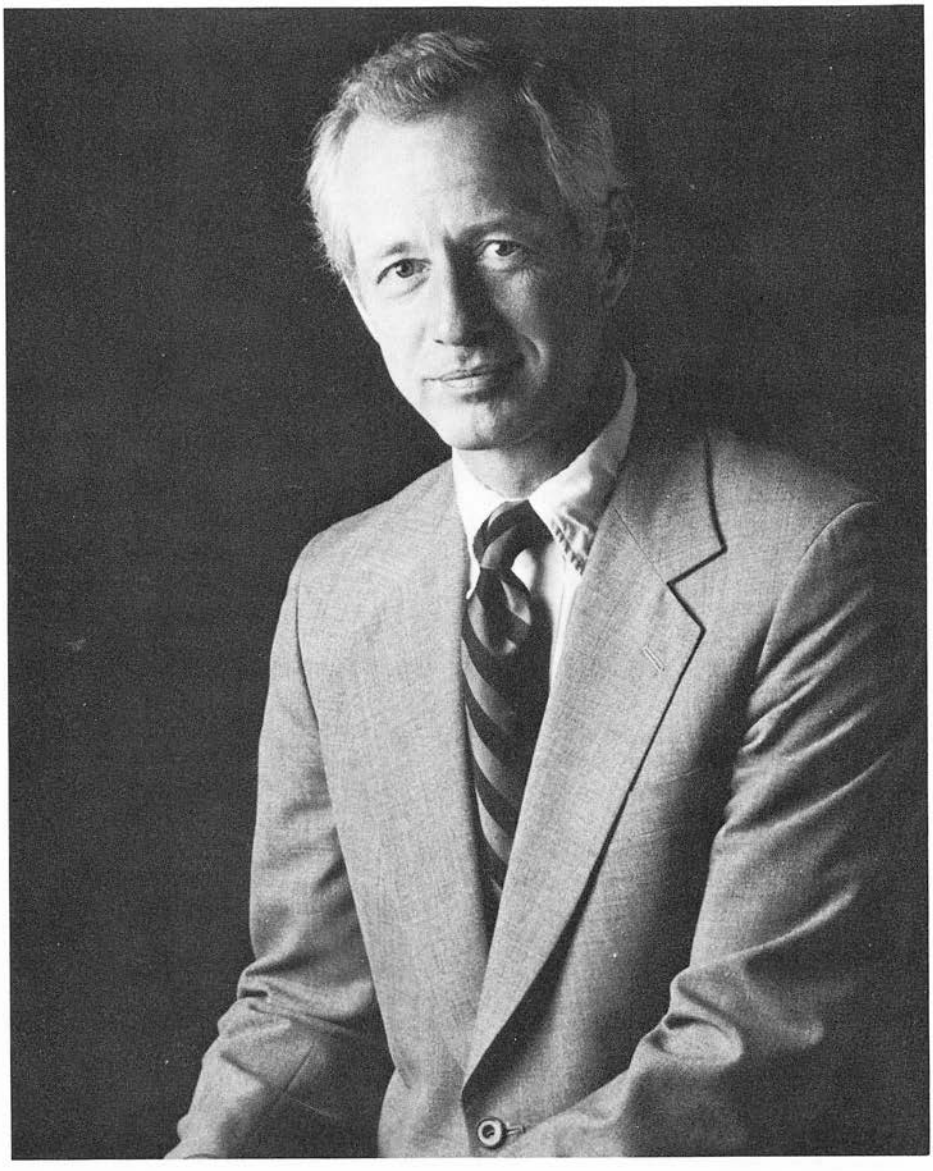
Students come to the University from 96 foreign countries and from 49 states. Sixty percent of the students are from Florida with the majority from Dade and Broward Counties. Total enrollment at UM for the 1983-84 academic year was 19,635 students, including 9,221 undergraduates, 1,356 law, 640 medical, 2,644 graduate, and 5,774 continuing education students. They are enrolled in 13 academic units including the Schools of Architecture, Business Administration, Education and Allied Professions, Law, Marine and Atmospheric Science, Medicine, Music, Nursing, and Continuing Studies; the Colleges of Arts and Sciences, Engineering, the Graduate School, and the Graduate School of International Studies. The University offers approximately 140 academic degrees at the undergraduate level and 205 advanced degree programs.

Quality is the hallmark of any university and among the indicators of quality at the University of Miami are its recent admission to the select company of schools with chapters of Phi Beta Kappa, the nation's oldest and most prestigious academic honor society, a dramatic increase in the scholastic aptitude test scores of its freshmen (up nearly 90 points since 1976), and its national ranking in the top two percent among more than 2,600 colleges and universities in terms of receiving federal research and sponsored program funds. A new five-year strategic plan recently approved by the Trustees of the University assures the future of the University by means of well planned priorities extending through 1989.

The University of Miami is deeply committed to guaranteeing the accessibility of a major private research university education to all students who qualify. The University administers some $35 million in financial aid annually and is gaining a reputation as a leader in the development of deferred payment programs which insure the affordability of a quality education.

While the primary mission of the University is providing educational opportunities to its students and fostering research and scholarship among its 1,400 faculty members, the University of Miami is also deeply dedicated to the cultural enrichment of South Florida and to focusing its resources on community needs. The University offers numerous non-credit programs for minorities via the Division of Community Services and the Koubek Center which focuses, specifically, on the needs of Miami's Hispanic community.

With some 5,200 faculty and staff, and an annual budget approaching $300 million, the University of Miami is one of Dade County's largest employers and the economic impact of the University is estimated to be in excess of $1 billion per year.



EDWARD T. FOOTE II
PRESIDENT

Edward T. Foote became the fourth president of the University of Miami in 1981. Prior to that he was Dean of the Washington University School of Law and special advisor to that university's chancellor and board of trustees. With an undergraduate education from Yale and a law degree from Georgetown, he has been a practicing attorney and a journalist. He is dedicated to the development of the University of Miami as one of the great international learning institutions and authored the following statement of the University Mission, setting the tone for the University's strategic plan.

UNIVERSITY OF Miami

A GLOBAL UNIVERSITY

MISSION STATEMENT

The University of Miami exists that human knowledge be treasured, preserved, expanded and disseminated and that the human mind, body and spirit be nurtured and strengthened through learning.

The University is committed to meet these great obligations:

That its students learn well, guided, stimulated and helped by scholarly, dedicated teachers so that each may grow according to his or her own talents;

That its students broaden and deepen their knowledge of life and thought and values, encouraged to understand what has gone before, to wonder what may yet come, and to dream;

That its undergraduate study include rigorous, disciplined exploration of the accumulated core of human knowledge, and that graduate and professional study include mastery of that mix of knowledge, expertise and skills that provides the foundation for effective, ethical service to others;

That there be fostered respect for the differences among people, the nurturing of curiosity, the insistence upon high standards of thought, study, communication and the skills that should characterize the educated person;

That its graduates be broadly educated men and women, prepared to bear that special responsibility in a free, pluralistic society of those privileged to have a higher education;

That society be served through the illumination, elevation and enrichment of human life by knowledge, increased through research, scholarship, creativity, invention and independent judgment;

That the University play a leading role especially in those fields of knowledge related to its unique setting — such as location in the sub-tropics, proximity to the ocean and the Caribbean Sea and to other nations and peoples;

That knowledge be disseminated;

That the University firmly maintain its independence; That there be and be defended an atmosphere of tolerance and the freedom to explore, to question, to argue, to create, to accept or reject;

That the very existence of a major, research-oriented, independent university strengthen the intellectual, cultural and economic life of the communities of South Florida and the world;

That all people be welcome as seekers — students, teachers, scholars and all who serve the University — regardless of sex, race, nationality or creed.

Edward T. Foote II, President

Jankovich (right) met with sports media throughout South Florida during his first week on the job. Above, Tampa Tribune sports editor Tom McEwen briefs him on construction progress at Tampa Stadium, the site of the 1984 Miami vs. Florida game.

SAM JANKOVICH ATHLETIC DIRECTOR

Since joining the University of Miami family on July 15, 1983, Sam Jankovich has encouraged a series of positive developments that will help guide the future of Hurricane athletics for many years to come.

When he accepted the job, Jankovich listed among his top objectives the reinstitution of college basketball, the reorganization of the athletic administrative staff and the improvement of facilities and funding for the department.

As he set out to strengthen the department, Hurricane athletes continued to produce Top 20 teams in nearly every sport, with the football team qualifying for the 50th Anniversary Orange Bowl game and then upsetting No. 1-ranked Nebraska to claim the national collegiate championship.

This past May when Howard Schnellenberger resigned as head coach of the Hurricanes, Jankovich was faced with the task of hiring a new head coach. Swiftly, yet with concern for detail, Jankovich selected Jimmy Johnson of Oklahoma State to continue the growing Hurricane tradition. Johnson, who has served with Frank Broyles at Arkansas, Chuck Fairbanks at Oklahoma, Johnny Majors at Iowa State and Jackie Sherrill at Pitt, was named Coach of the Year in the Big Eight in 1979 and rebuilt Oklahoma State's program from near-collapse to a Big Eight contender.

It has been quite a year! And now the Hurricanes can look proudly to a strong and rapidly growing basketball program under the direction of veteran Coach Bill Foster, the man who emerged from Jankovich's exhaustive national search as most capable to lead the UM program into a whole new world.

Miami now has a full compliment of administrative and support personnel to help build the new program and sustain its already strong teams. Additionally, Jankovich has overseen a department that set new records for season ticket sales (26,000) and annual fund-raising ($1.5 million) while selling out the Florida game May 5 (earliest sellout ever), arranging for UM to play in the Second Annual Kickoff Classic, contracting with CBS to televise the Miami-Boston College game nationally and signing the most lucrative radio and television packages in UM history.

In the area of facilities, Jankovich has arranged for 1) the complete re-surfacing of Mark Light Baseball Stadium with SuperTurf, 2) construction of a new office-locker room complex for baseball, 3) refurnishing the facilities in the Hecht Center, 4) construction of a new basketball practice facility, complete with offices, locker rooms, a football meeting

room, weight room for all athletes and two full courts and 5) development of plans for a stadium-arena complex adjacent to campus in South Miami.

One of Jankovich's primary missions at UM is to solidify the services to Hurricane athletes so that they receive the best counseling and tutoring available so that graduation is the rule. "Increased academic standards is part of college athletics from now on," says Jankovich. "We are working hard to assure that our athletes, who certainly have tremendous demands on their time, have every opportunity to learn and graduate with a valuable degree. It is possible to have a healthy balance between athletics and academics. We will pursue graduation for our athletes with the same vigor as we do winning."

Prior to coming to Miami, Jankovich served as athletic director at Washington State University where he developed a $7.5 million building effort that included both renovation of existing facilities and construction of new ones. His Washington State teams competed in the tough PAC-10 Conference and participated in its first bowl game in 50 years (1981 Holiday Bowl) and two NCAA basketball tournaments in his final four years there. The track team won a conference title and the total program gained national respect.

During his tenure as assistant athletic director at WSU, Jankovich was responsible for the operation of the Cougar Club; he more than doubled the membership while tripling the contribution level.

Committed to community activities and responsibility, the Jankovich family is very active in the Serbian Orthodox Church. "Sam" is married to the former Patty Mullins of Butte, Montana. They have three children — Michael 30, Sue Ellen 28 and Sam, Jr. 23.

HEAD COACH JIMMY JOHNSON

Five years ago Jimmy Johnson took over as head coach of the ailing Oklahoma State football program. He built that team into a Big Eight conference contender and led the Cowboys to two bowl appearances.

Now the challenge is a different one. Now Johnson takes over the Miami Hurricanes, a team that will defend its 1983 national championship against the most difficult schedule in the school's history. He will work to continue the success of the past four years and to further develop the factors that will provide Miami with title contenders each year — academic achievement, recruiting, fund-raising and ticket sales.

Johnson's five-year contract will help provide the necessary continuity. His commitment to excellence in academics will be an important guidepost. His experiences as an assistant at Arkansas with Frank Broyles, at Iowa State with Johnny Majors, at Pittsburgh with Jackie Sherrill and at Oklahoma with Chuck Fairbanks will be valuable as UM faces an '84 schedule that includes: Auburn, Florida, Michigan, Purdue, Florida State, Pittsburgh, Maryland and Boston College to name a few! His enthusiasm will be ever-present.

"Jimmy Johnson was a real find for us," said UM Athletic Director Sam Jankovich. "He has the personality to inspire, the confidence to face this unique challenge and the experience and ability to win." Jankovich began his search for a new coach May 25, 1984 when Howard Schnellenberger resigned as coach of the UM. After intense interviews and recommendations, Jankovich met with Johnson. An agreement was reached. At 3:15 p.m. June 5, University President Edward T. Foote and Jankovich introduced Johnson to Miami. Since then Johnson has been on the run — meeting the press, finalizing the coaching staff, reassuring the players, encouraging the boosters and preparing to defend Miami's national title.

But he will do it only one way. His way. "I'm Jimmy Johnson, nobody else, so don't expect us to do everything exactly as it has been done in the past. We'll work hard for sure. We'll change very little in the x's and o's. And with the patience and support of everyone involved, we'll get the job done."

Seven years ago Johnson found himself in a similar situation. Johnny Majors and the Pitt Panthers had just won the national championship. Majors opted to return to his alma mater Tennessee. Jackie Sherrill took over at Pitt, naming Jimmy Johnson as assistant head coach and defensive coordinator. "There were doubts at the beginning," recalls Johnson. "But that year after the championship we won 9 games, played in a bowl game, averaged more fans per home game and raised more money than in the title season. And of course, Pitt has gone on to become a perennial contender."

YEARS AT MIAMI:

Johnson begins his first season at UM. He accepted the job on June 5, 1984

MIAMI

NOTES ON JONHSON:

- Johnson has coached some of the nation's top football players during his career. At Pitt he worked directly with Hugh Green, Matt Cavanaugh and Ricky Jackson. At Oklahoma he coached LeRoy Selmon.
  Last year at Oklahoma State he coached All-American Ernest Anderson, one of the nation's leading rushers for the past two years.
- Johnson hopes to keep some winning streaks alive this season including:
  - 8 consecutive wins at home (25-2 overall at home in past five years)
  - 11 consecutive wins overall (including Orange Bowl), a mark that is the longest current streak in the nation
  - 10 consecutive regular season wins, also the longest such streak in the nation.
- Season ticket sales for Hurricane football are at an all-time high point entering the 1984 season. Nearly 30,000 season tickets were purchased this year, up from 18,500 one year ago.
- Johnson signed a two-way, five-year contract in June to insure the continuity of the Hurricane program. He is the 16th man to serve as head coach of the UM since the school began football in 1926.
- One of the nation's most visible football teams, UM will be featured on at least two national telecasts this season. The opener in the Kickoff Classic will be televised by an independent network that will reach nearly 98 percent of the nation. The season finale at home against Boston College is already slated for TV by CBS. UM has won 11 of its last 12 games that have been televised regionally or nationally.
- Johnson's squad will face eight teams that played in bowl games last year, including Auburn which finished 11-1 in 1983 and was ranked No. 3 in the final polls.

JIMMY JOHNSON QUOTES ON '84

On Accepting the Position at UM:

The head coaching position at the University of Miami is a unique opportunity. This is a great academic institution with excellent resources and we have the right people who are working hard to continue the success. This is also a challenging position. Everything is here for this program to be successful. The many factors that go into making South Florida such a vibrant community will also help us attract the top student athletes from across the country for years to come.

On Toughness of the 1984 Schedule:

It is tough. It may be the most difficult schedule in college football this year and one of the most difficult I have ever seen. If I were looking at just one year at Miami, the schedule would have been a big factor in taking or leaving the job. We are not looking at the situation for one year, but for many years to come.

His Coaching Philosophy:

My role as head coach is to achieve excellence within the team and when I say excellence, that does not pertain just to the football field. My job is to make sure each 18-year-old man who comes into our football program achieves whatever he can — as a student, as an athlete and as a person. If we can accomplish this on an individual basis, then all the individuals who make up our program will be better suited to the team concept. It is my responsibility to make sure that every person who is a part of our program realizes his own potential in all areas.

On Offensive and Defensive Philosophies:

Basically, we will be the same as in the past because the players and the assistant coaches are already familiar with the system. We will institute some changes in both areas, but the main input will be from the assistant coaches. It is a learning process for me to evaluate and find out what was done in the past. No football team that is going to be successful stays totally the same. In order to remain on top of things and have continued success, improvements have to be made on a steady basis. Everyone on the staff will have input as to what we will do. We will learn and change together as a staff and as a team.

On the 1983 National Championship:

I have already gained a great deal of momentum from the previous year's success. What this football team accomplished in 1983 is a remarkable story. Now it is up to the people here to learn from that success and to continue to develop on every level. It is a challenge for me to make sure that everyone here is working together and that we are all heading in the same direction as in years past. No other program in the country has the opportunity that we have at Miami this season.

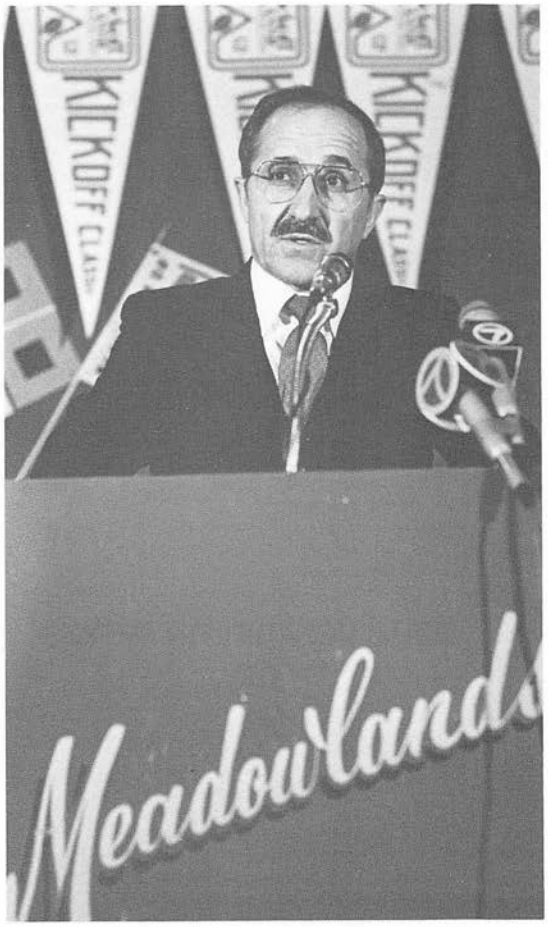
HURRICANES TO MEET TIGERS IN CLASSIC SHOWDOWN AUGUST 27

The University of Miami will defend its national championship against the Auburn Tigers, in the Second Annual Kickoff Classic, at The Meadowlands, New Jersey. The New Jersey Sports Authority votes on the two teams that will play in the contest, and strives to pit two prominent teams coming into the new season. The game officially kicks off the collegiate football season.

Miami will bring the pro style passing attack led by sophomore quarterback Bernie Kosar into The Meadowlands against the Tigers and junior speedster Bo Jackson.

This will be the 11th meeting of the two schools, the last meeting being in 1978. Miami won that contest 17-15. Auburn holds the series advantage by winning 7 of the 10 games.



UM Athletic Director Sam Jankovich accepts an invitation from the New Jersey Sports and Exposition Authority to play in the Second Annual Kickoff Classic.

FLORIDA 28, MIAMI 3

Gainesville, Fla., Sept. 3, 1983 — The University of Florida Gators took advantage of the young, inexperienced Hurricanes, capitalizing on seven Miami turnovers enroute to their second straight victory over the Canes at Florida Field.

Speedy Neal's fumble deep in Miami territory on the opening series put the Canes behind immediately, as senior QB Wayne Peace converted the miscue into a 5-yard TD pass. The Gators scored again on their second possession, with Peace engineering a 9-play drive, culminating in his second TD pass of the evening to FB Joe Henderson, this time from 2 yards out. The PAT failed, and with less than 10 minutes gone in the contest, the Canes trailed, 13-0.

The score remained 13-0 at halftime, and on the opening series of the second half, the Miami defense stopped Florida cold, only to hand the ball right back to the Gators with a fumble on the punt. Chris Perkins added to the Florida lead with a 53-yard FG, the longest of the season against Miami.

An 8-yard TD run by Neil Anderson made the score 22-0, and on the ensuing kickoff, a fumble by freshman RB Alonzo Highsmith, making his first appearance for the Canes, led to another Gator FG.

Miami was unable to get back into the game in the 4th quarter, turning the ball over 3 times, including 2 interceptions thrown by freshman QB Bernie Kosar. The Gators added a FG, and Jeff Davis completed the scoring with nine seconds left in the game, avoiding the shutout by kicking a 41-yard FG.

Despite the disappointing loss to the arch-rival Gators, there were some bright spots for the Hurricanes, including the performance by All-America candidate TE Glenn Dennison, who caught 7 passes for 87 yards. QB Kosar showed promise of things to come, completing 25 of 45 passes for 223 yards, and on one drive, completing five in a row. LBs Ken Sisk and Jay Brophy led the defense, combining for 23 tackles.

Cumulative UM Record: 0-1

THE INTENSITY OF MIAMI'S defense was ignited by Football News All-America choice Jay Brophy.

MIAMI 29, HOUSTON 7

Houston, Tex., Sept. 10. 1983 — Led by a stingy defense and an offense which capitalized on 6 Cougar turnovers, the Hurricanes evened their record by soundly defeating Houston in the Astrodome. It was Miami's fourth straight win over the Cougars in as many seasons.

After allowing a Houston touchdown drive of 80 yards on the opening series, the Miami defense shut the door on the explosive Cougar veer offense by intercepting 4 passes and recovering two fumbles. LB Ken Sisk led the way with 17 tackles, while rover back Kenny Calhoun added 11 tackles and an interception.

Senior place-kicker Jeff Davis converted 3 first-half field goals for a 9-7 Miami lead at halftime, and in the second half, Speedy Neal added a 1-yard TD run. QB Bernie Kosar completed the scoring by throwing TD passes to Glenn Dennison and Stanley Shakespeare.

Kosar completed 15 of 26 passes for 197 yards, as the Hurricanes rolled up 359 total yards; Houston was held to 207 yards of total offense.

MIAMI 35, PURDUE 0

Miami, Fla., September 17, 1983 — QB Bernie Kosar threw for 3 touchdowns and ran for another, as the Hurricanes whitewashed an out-manned Boilermaker squad in the season's home opener.

Backup QB Kyle Vanderwende boot-legged for the Canes' other score in relief of Kosar, who completed 12 of 20 passes for 182 yards while suffering 2 interceptions. Stanley Shakespeare was on the receiving end of two Kosar TD tosses, giving him three TDs for the season.

LB Ken Sisk was the Canes' leading tackler with 15 stops, LB Jay Brophy recorded 11 tackles plus an interception, and Jack Fernandez recovered two Purdue fumbles as Miami notched its first shutout of the season.

MIAMI 20, NOTRE DAME 0

Miami, Fla., Sept. 24, 1983 — On what was to be called the "Classic College Football Weekend", the Hurricanes proved themselves in front of a CBS prime-time national TV audience by shutting out the Fighting Irish in a totally one-sided game. It was only the third time since 1955 that the Canes were able to defeat Notre Dame.

While the beautiful Orange Bowl halftime performance showcased the city of Miami to the nation, it was the show put on by Bernie Kosar & Company which pushed the Hurricanes into the college football spotlight. Kosar connected on 22 of 33 aerials for 215 yards and a touchdown and was named the Chevrolet Most Valuable Player of the game for the Hurricanes. Speedy Neal plunged for a TD, and Jeff Davis kicked FGs of 27 and 36 yards to account for the Miami scoring.

The tough Miami defense was also up to the task, recording its second consecutive shutout and extending its string of scoreless quarters to 11. Freshman DB Reggie Sutton had a superb game — making 13 tackles, blocking two field goals and breaking up several passes. LBs Jay Brophy and Ken Sisk each intercepted a pass and combined for 23 tackles.

MIAMI 56, DUKE 17

Durham, N.C., Oct. 1, 1983 — An explosive Hurricane offense rolled up 613 total yards and 8 TDs, while the Miami defense held pre-season All-American QB Ben Bennett in check, as the Canes posted their fourth straight win.

Bennett broke the Hurricane defensive streak of 11-consecutive shutout quarters by tossing a 15-yd. TD pass with just 19 seconds left in the opening quarter, but the Duke QB was thwarted by a strong Miami pass rush and fine secondary coverage, throwing for just 162 yards and suffering 2 interceptions. The Duke ground game managed just 32 yards on 32 carries.

Offensively, it was bombs-away for the Hurricane QBs, with Bernie Kosar throwing TD strikes of 72 yards to Ed Brown and 43 yards to David Kintigh, his first catch as a Hurricane. Kyle Vanderwende then added a 47-yard TD bomb to Stanley Shakespeare and a 24-yarder to John Smatana.

The Hurricanes suffered an offensive lapse in the second quarter with 4 turnovers and led just 21-10 at the half, but the Canes put the game out of reach by scoring on their first 3 possessions of the second half, giving them a 42-10 lead.

WITH 3 SECONDS REMAINING, with Miami needing 3 points to win, No. 3 Jeff Davis tried his 3rd field goal of the night and gave Miami a 17-16 victory at Florida State and made the 'Canes Orange Bowl-bound.

MIAMI 42, LOUISVILLE 14

Miami, Fla., Oct. 8, 1983 — Led by RB Albert Bentley, who rushed for a career-high 152 yards, the Hurricanes rode a balanced attack to victory in the Orange Bowl. The win improved Miami's home record to 22-2 under Howard Schnellenberger.

Averaging almost five yards per carry on the ground and complemented by the 15-for-19 passing of Bernie Kosar, the Canes put together several long TD drives. Bentley ran for two TDs, and TE Glenn Dennison caught 7 passes for 81 yards and a TD. DB Kenny Calhoun came up with the big play on defense, stopping the Cardinals' opening drive by intercepting a Dean May pass and rambling 92 yards for the score. Louisville was held to 197 total yards by the Cane defense, 69 of those yards accumulated on that opening drive. Jay Brophy was the leading tackler with 13 stops.

MIAMI 31, MISSISSIPPI STATE 7

Starkville, Miss., Oct. 15, 1983 — With the thought of 1981's heart-breaking 14-10 loss on their minds, the Hurricanes made a triumphant return to Starkville, overcoming cowbells and the Bulldogs to post their sixth straight victory of the season.

The Miami defense held nemesis John Bond to one of his worst days as a collegian; Bond managed just two completions in 14 attempts and rushed for just 33 yards on 11 carries. Meanwhile Bernie Kosar had another big day, completing 23 of 38 passes for 271 yards, including 2 TD strikes to Ed Brown, one a 52-yarder.

QB Bond did score a 3rd-quarter TD on an 8-yard scamper to cut Miami's lead to 14-7, but the Canes took control of the game on the next drive, moving 88 yards in 14 plays with Speedy Neal going over from the one, and Miami was never in danger again.

PK Jeff Davis converted on all four of his extra-point attempts, giving him 52 consecutive PATs, surpassing the previous mark of 48 set by Chris Dennis.

MIAMI 17, CINCINNATI 7

Cincinnati, Ohio, Oct. 22, 1983 — The Hurricanes overcame miserable playing conditions to keep a 7-game winning streak alive, as the defense put in a sterling performance on the slippery Astroturf of Riverfront Stadium. Miami held the Bearcats to just 144 total yards and made the afternoon a nightmare for backup QB Mike Willging, who was making his first start in place of the injured Troy Bodine. Willging finished the afternoon with 13 completions in 27 attempts for only 59 yards and was intercepted twice by Hurricane CB Rodney Bellinger. Jack Fernandez and Ken Sisk added 2nd quarter fumble recoveries to stop Bearcat drives.

Because of the torrential downpour which continued throughout the contest, the Canes were unable to muster much offensive firepower. Jeff Davis put the only points of the first half on the board with a 32-yard field goal on Miami's first drive, giving the Hurricanes a 3-0 halftime lead. RB Albert Bentley started the second half off with a bang, exploding for a 60-yard TD gallop on the second play from scrimmage, and Speedy Neal later added another TD, giving Miami a 17-0 advantage.

Looking for its 3rd shutout of the season, the Miami defense tried desperately to stop a late Cincinnati drive, but substitute QB Doug Rutan prevented the whitewash by tossing a 10-yard TD pass with just 22 seconds left in the game.

MIAMI 20, WEST VIRGINIA 3

Miami, Fla., Oct. 29, 1983 — In front of a crowd of 63,881 overjoyed fans, the Hurricanes took a giant step forward to an Orange Bowl bid by shutting down the highly-ranked Mountaineers at Homecoming.

The Miami defense was once again superb, harassing West Virginia's starting QB Jeff Hostetler all afternoon, sacking him five times and forcing him out of the pocket on numerous occasions. Fred Robinson turned in an excellent performance, recording seven unassisted tackles, including three sacks, and also tipped a pass that was then intercepted by Jay Brophy. Brophy added 15 tackles to his interception, while MG Tony Fitzpatrick made nine unassisted stops, including two sacks. The Mountaineer rushing attack, which was averging 177 yards per game going into the contest, was held to just 2 net yards on 29 carries. The only score for West Virginia came on a 21-yard field goal by Paul Woodside when the Mountaineers' opening drive stalled deep in Hurricane territory.

Offensively, Bernie Kosar threw two TD passes — a 19-yarder to Glenn Dennison and a 5-yard strike to Keith Griffin. Dennison caught seven balls for 72 yards and in the process set a UM record for catches in a single season. Jeff Davis added two field goals to account for all the scoring.

Two key Miami injuries cast a dark spot on the Hurricane victory. RB Speedy Neal suffered a serious shoulder separation, and Tony Fitzpatrick tore his left bicep muscle, putting both players out for the remainder of the regular season.

MIAMI 12, EAST CAROLINA 7

Miami, Fla., Nov. 5, 1983 — With major bowl hopes dangerously in jeopardy, Bernie Kosar drove the Canes 80 yards in the final minutes of the game for the winning score, as Miami outlasted a scrappy Pirate team to post its ninth-consecutive victory.

The big play on the final Hurricane drive was a 52-yard pass from Kosar to Ed Brown, which helped to set up Kosar's one-yard TD plunge with just 1:04 left. However, it was the Miami defense that came up with possibly the game's biggest play by stopping Pirate RB Tony Baker on 3rd-and-2 play at the Miami 3-yard line with less than 5 minutes left and the Pirates leading, 7-6. East Carolina PK Jeff Heath then missed a 21-yard FG attempt, setting the stage for Miami's dramatic game-winning drive. The Pirates, who showed a consistent offense and a stiff defense throughout the contest, had one last chance for the win, but two long passes in the final seconds thrown into the Hurricane endzone fell incomplete to preserve the victory.

East Carolina held a 7-0 halftime lead, but the Canes retaliated in the 3rd quarter on a 4-yard TD pass from Kosar to Albert Bentley. Jeff Davis' PAT, however, was blocked, halting his consecutive conversion streak at 54.

Glenn Dennison and Bernie Kosar added their names to the UM record book; Kosar set single-season marks for completions and TD passes, while Dennison established a new standard for career receptions.

MIAMI 17, FLORIDA STATE 16

Tallahassee, Fla., Nov. 12, 1983 — The Hurricanes' dreams of an Orange Bowl appearance and a shot at the national championship became a reality on a cool night in Tallahassee, as Jeff Davis booted a 19-yard FG on the game's last play to give Miami a hard-fought 17-16 victory. The win closed out the Canes' regular season with a 10-1 record, including 10 consecutive victories and marked the first time in the school's history that a Hurricane team won 10 games in a season.

The big play of Miami's winning drive, which began with just 2:12 to play, was Keith Griffin's 20-yard run to the FSU nine. Three short running plays then set up the winning kick. Bernie Kosar, who for the second week in a row engineered a clutch winning drive in the final minutes despite being hobbled by an ankle injury, finished the game with 21 completions in 35 attempts for 243 yards. His main target was Ed Brown, who caught eight passes for 150 yards, including a 37-yard TD aerial late in the 3rd quarter to cut the Hurricane deficit to 16-14.

After allowing an Albert Bentley TD plunge on Miami's opening drive, the much-maligned FSU defense was up to the task, holding Miami scoreless for the next 2½ quarters by putting heavy pressure on Kosar, sacking him 4 times. David Ponder blocked Rick Tuten's punt out of the Miami endzone for a safety, giving the Seminoles their first points. The FSU running attack was also very effective, piling up 202 yards and 2 TDs on the ground against the Cane defense, ranked 2nd in the nation. Greg Allen's 3-yard run gave the Seminoles a 9-7 halftime led, and Bob Davis' 1-yard TD sneak in the 3rd period upped the margin to 16-7.

But it was Jeff "The Flea" Davis who provided the difference, atoning for two earlier FG misses by drilling the winning kick and earning a victory ride off the field on the shoulders of his huge teammates.

Cumulative UM Record: 10-1

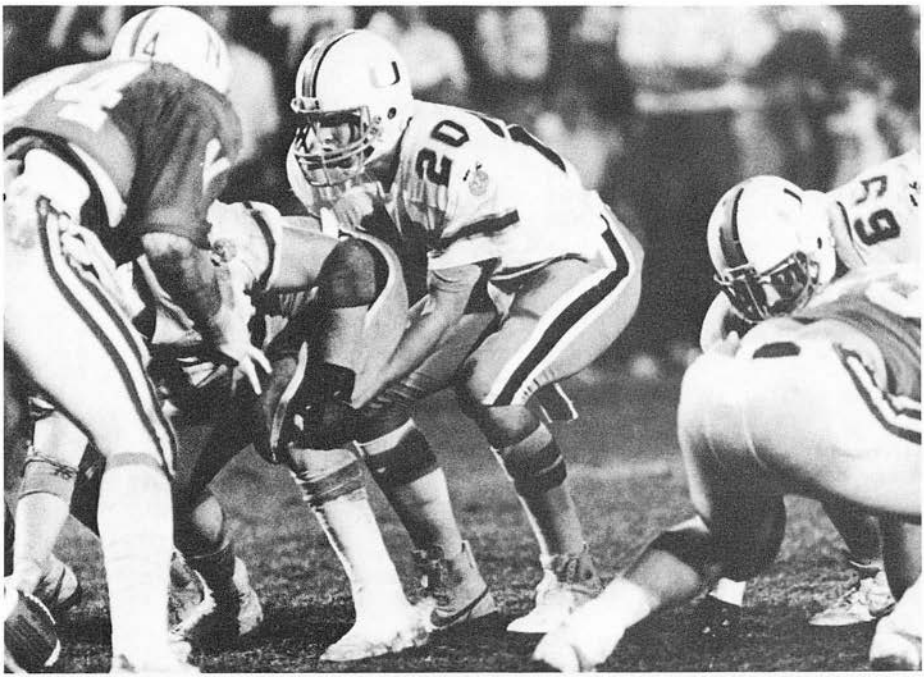
FIRST TEAM ALL-SOUTH SELECTION Glenn Dennison set new UM record for single season and career pass receptions in Miami's 20-3 win over West Virginia.



Protected by an offensive line composed of all underclassmen, QB Bernie Kosar passed for 300 total yards to set a new Orange Bowl standard.

MIAMI 31, NEBRASKA 30

Miami, Fla., Jan. 2, 1984 — In what many called the most exciting game ever played in college football, UM ended a storybook climb to the national championship by dealing Nebraska a 31-30 setback.

The Cornhuskers opened the 50th edition of the Orange Bowl Classic with an 11-0 record and were a heavy favorite. They marched down the field with the opening possession only to have a blocked field goal snuff out a scoring threat. UM quarterback Bernie Kosar, who earned MVP honors by tossing for a record 300 yards, started the night off in dramatic fashion. He hit Stanley Shakespeare off UM's first snap from center, and five plays later found Glenn Dennison in the end zone for a one-yard score.

An NBC-TV audience and the entire nation was shocked when the first quarter ended with the Hurricanes ahead of the country's No. 1 ranked team by a 17-0 count. Jeff Davis' 45-yard field goal had increased UM's lead to 10-0 before an unsung hero emerged on the defense for Miami. Linebacker Jack Fernandez, filling in for injured Ken Sisk, picked off a Husker pass, and that set up another Kosar to Dennison TD strike. Fernandez was named Defensive MVP as the Hurricane contingent contained a Nebraska offense that had set numerous NCAA records.

The second period was all Nebraska, and as the half ended 17-14 Miami, it looked as though momentum had shifted. But the Hurricanes emerged from the lockerroom and again jolted their opponent with a furious burst of offense.

After a field goal tied the score at 17, UM drove for a pair of touchdowns with Kosar hitting speedy Ed Brown for huge chunks of yardage. Freshman tailback Alonzo Highsmith did the honors from the one yard line for the first tally, then Albert Bentley added a two-yard scoring run.

Nebraska came back with a TD late in the third stanza to narrow the margin to 31-24. An errant Davis FG attempt gave the Huskers the ball back with just a few minutes remaining, and NU's offensive juggernaut put the ball in the endzone with :48 showing on the clock.

In a decision that most would hail as a true method of establishing a national champion, Coach Tom Osborne lined up his team for a two-point conversion attempt. With the ball placed on the left hash mark, QB Turner Gill rolled to his right and under pressure from a tremendous rush lofted a pass toward reserve tailback Jeff Smith. UM strong safety Ken Calhoun stepped in front to bat the pass away and seal the Miami win.

UM in Bowls

PEACH BOWL
Miami 20, Virginia Tech 10 — January 2, 1981

Atlanta's steel-blue sky provided the backdrop as the Hurricanes embarked on their first post-season bowl appearance since 1967, squaring off against Virginia Tech on a clear Peach Bowl day at Fulton County Stadium. Performing on national television (CBS), Howard Schnellenberger's troops set the pace early with two long scoring drives that proved to be the winning margin. UM took the opening kickoff and marched 68 yards to paydirt, with QB Jim Kelly hitting Larry Brodsky on a 15-yard strike to culminate the nine-play drive. On Miami's third possession, Kelly connected through the air on three occasions to spark a 10-play, 99-yard drive. Chris Hobbs did the honors with a 12-yard scamper up the middle to cap what CBS commentator Hank Stram described as "a textbook-perfect scoring drive." Danny Miller's second PAT of the afternoon made the score 14-0. The Hokies closed the gap to 14-10 early in the second half, but two field goals by Miller put the game beyond Tech's grasp and assured Miami of its first bowl victory since '66. Kelly was selected the game's outstanding player on offense, while UM middle guard Jim Burt was named defensive MVP.

BLUEBONNET BOWL
Miami 21, COLORADO 31 — December 23, 1967

In a wild scoring spectacle Colorado finally won out 31-21 after the lead had changed hands five times at Rice Stadium in Houston, Texas. In the first quarter, Colorado's Larry Plantz tallied from seven yards out while Miami came back to deadlock the count on Joe Mira's score from the two. UM moved ahead moments later as Jimmy Dye stole a pass from Dan Kelly and romped 77 yards. A 31-yard field goal by John Farler just before halftime, followed by an 80-yard TD march with the second-half kickoff, sent the Buffaloes roaring to the front again, 17-14. Miami regained the lead 21-17 in the final period on an 85-yard drive sparked by Bill Miller's four pass completions to Jerry Daanen, the last one for nine yards and the score. With six minutes remaining, Colorado surged ahead for the third time on a dazzling 38-yard gallop by Anderson. UM was coached by Charlie Tate.

LIBERTY BOWL
Miami 14, Virginia Tech 7 — December 10, 1966

Playing in frigid 36-degree weather in Memphis, Miami found itself on the trailing end of a 7-0 score at halftime, but in the end proved too powerful for Virginia Tech. Tech's only score of the game came early in the opening quarter after Jim Richard blocked Bobby Stokes' punt deep in UM territory. It took the Virginians five plays to go 21 yards for the TD. Miami tied the score in the third period on a 53-yard drive, highlighted by Bill Miller's passing and the running of Joe Mira. Miller threw seven yards to Mira for the TD and Ray Harris made good on his conversion try. A 7-yard march in the final quarter brought UM its winning TD. On the drive, Miller completed three air bombs to end Jimmy Cox (12, 11, and 38 yards), and Doug McGee barreled over from the one on fourth down with 8:05 left in the game. Miami's potent defense was led by the fabulous Ted Hendricks.

GOTHAM BOWL
Miami 34, Nebraska 36 — December 15, 1962

This spectacle was played in freezing 17-degree weather in ice-plagued, snow-banked Yankee Stadium. The brave souls who showed up will remember the offensive thriller — and All-American QB George Mira — for many years to come. Leadership see-sawed back and forth, changing hands six times before Nebraska finally won out 36-34. The Hurricanes rolled up an amazing 502 yards rushing and passing to Nebraska's 296 — and had a margin of 34-12 in first downs. Scoring found the Cornhuskers drawing first blood, but Miami tied it up 6-6 and then took command, 12-6. Before the half ended, Nebraska led 13-12 and Miami 20-13 (score was tied 20-20 at half). In the final half, Miami led 27-20, and Nebraska 28-27, 36-27, and 36-34. Mira had one of his finest hours in this Gotham Bowl struggle, shattering his own all-time UM passing record with 24 completions for 321 yards and two touchdowns. This performance won him the game's MVP award. Scribes hailed him as the greatest passer to appear in Yankee Stadium since Johnny Lujack came to town with Notre Dame in the middle '40s.

LIBERTY BOWL
Miami 14, Syracuse 15 — December 16, 1961

Miami broke away to a 14-0 lead at halftime, but Syracuse, led by Heisman winner Ernie Davis, came back in the game's waning minutes to pull it out of the fire, 15-14. James Vollenweider romped 12 yards through the entire Syracuse team for Miami's first TD in the opening quarter, while the other came on a 60-yard punt return by Nick Spinelli seconds before the half ended. Ernie Davis put Syracuse back into the running with a score in the third period. Dave Sarette passed to Easterly for a two-point conversion. Syracuse's other tally came in a final-period pass, Sarette to Easterly. The winning point was kicked by Ken Erickson.

GATOR BOWL
Miami 14, Clemson 0 — January 1, 1952

When injuries cost Miami its backfield ace, Frank Smith, and several linemen prior to the game, Clemson was rated a top-heavy favorite. Coach Andy Gustafson even had to start freshmen. One of them was an end, Frank McDonald, who caught a pass to set up a touchdown. Flankman Ed Lutes caught a 46-yard aerial to set up another. Harry Mallios made both TDs, the first on a pitchout from Jack Hackett in the opening quarter and the other on a short leap over the goal in the second period. Elmer Tremont converted after both scores and contributed much toward frustrating Clemson's scoring ambitions with his punting. He booted nine times for an average of 44.5 yards per kick. Miami's defensive standout was Jim Dooley, the MVP. He intercepted four passes to set a Gator Bowl record.

ORANGE BOWL
Miami 14, Clemson 15 — January 1, 1951

After being run over in the first half (Clemson led 9 to 1 in first downs, 158 yards to 39 yard in total offense, and by a 13-0 score), Miami caught fire in the third period and moved ahead 14-13. Harry Mallios, taking a pitchout from Bob Scheidenbach, sailed around right end five yards for Miami's first TD. Frank Smith tallied the other on a 14-yard pass thrown by Jack Hackett. Gordon Watson kicked both extra points. Apparently heading for another score, Miami drew three successive 15-yard penalties. One nullified a score, the others nullified good runs. Still another penalty sent Miami back to its one-yard line, where a safety (Sterling Smith tackled Frank Smith behind the goal line) gave Clemson a 15-14 victory. The Orange Bowl record for the longest completed pass through the air was equaled when Bob Scheidenbach tossed to end Ed Lutes for 78 yards.

ORANGE BOWL
Miami 13, Holy Cross, 6 — January 1, 1946

This was a tense, thrilling struggle with each club scoring once in the opening half and missing the extra point. Joe Krull tallied for Miami on a reverse and Walter Brennan scored for Holy Cross on a pass from Stan Kozlowski. Seconds before the final gun sounded ending the game, the Crusaders came up with a long, desperation pass attempt thrown by halfback Gene De Filippo. Holy Cross end Frank Parker, open downfield, reached into the air but the ball bounced off his hands into the waiting left hand of Hurricane halfback Al Hudson. Al juggled the pigskin momentarily, and then the former Miami Edison High track star was on his way down the sideline. There wasn't a man in the Crusader squad who could have caught Hudson on that 89-yard sprint to fame. The game was over as Galloping Al shot past the 35-yard line, but he kept on going. When Harry Ghaul kicked the extra point it was anticlimatic . . . but it made the final count read Miami 13, Holy Cross 6.

ORANGE BOWL
Miami 0, Bucknell 26 — January 1, 1935

This New Year's game was moved to a wooden stadium on the site of the present Orange Bowl, and the Miami-Bucknell battle inaugurated what is known today as the Orange Bowl Classic. Bucknell, champion of the smaller eastern colleges, had a sensational backfield and Miami never had a chance. UM failed to complete a single pass in 10 tries. Bucknell won, 26-0. UM was coached by Tom McCann.

PALM FESTIVAL
Miami 7, Duquesne 33 — January 1, 1934

The Hurricanes met a Duquesne 11 that rated among the nation's best and was coached by Elmer Layden, one of the famed Four Horsemen of Notre Dame. The Pittsburghers used three teams, and Miami — which scarcely had any reserve talent — was worn down and Duquesne ran wild in the fourth quarter to win 33-7. (Miami was only down 12-7 when Duquesne started its final surge.) George Reichgott scored UM's lone TD early in the fourth period on a pass from Johnny Ott, and Pete Petrowski booted the extra point. The battle was waged at Moore Park.

PALM FESTIVAL
Miami 7, Manhattan 0 — January 1, 1933

In this first Festival of the Palms Classic, Miami was matched against Coach Chick Meehan's colorful military-stepping Manhattan College team of New York City, which was rated best of the eastern small colleges and was supposed to win by a wide margin. Bob Zuppke, then Illinois coach, offered to help his ex-pupil Tom McCann prep the Hurricanes and did a masterful job. A fired-up defense stopped the favored New Yorkers — once holding three inches from a goal — while the Hurricanes cut loose on a series of wild spread formations to earn a thrilling 7-0 victory. This game was actually the forerunner to the Orange Bowl Classic. A crowd of only 3,500 observed the upset.

ORANGE BOWL STADIUM
DEDICATED: DEC. 10, 1937
CAPACITY: 75,500
SURFACE: PRESCRIPTION ATHLETIC TURF

ORANGE BOWL STADIUM
HOME OF THE HURRICANES

Address: 1400 N.W. 4th Street, Gate 7, Miami, Florida 33125, or P.O. Box 350748, Miami, Florida 33135

Permanent Seating Capacity: 75,500

Field: Runs east-west

Surface: Natural grass- PAT (prescription athletic turf). Transition from five years of artificial turf was made in 1977.

Lighting: Metal, halide quick starts

Press Box: Upper level can accommodate 85 writers plus radio announcers and film cameras. A lower deck is used for network TV as well as the Hurricane Club major contributors.

Stadium Dedication: December 10, 1937 during a UM - University of Georgia football game. The seating capacity was 22,000.

Stadium Expansion: In 1947 double-decking and the construction of wings was completed. Later a complete filling of the west end zones with both upper and lower deck seats raised the capacity of the stadium to 75,385. 1975 brought the addition of east end zone seating making the capacity 80,010. In 1977 the east end zone seats were removed, reducing the capacity to its present level.

LARGEST ALL-TIME HOME CROWD

The overflow crowd of 77,265 that saw the Miami-Notre Dame battle in 1967 in the Orange Bowl was the largest throng ever to see a University of Miami home football game. Temporary bleachers were added to the stadium's regular 75,385 capacity (at that time) to handle the record crowd.
